In the Matter of:

THE APPLICATION OF DELTA)
NATURAL GAS COMPANY, INC.)
FOR AN ORDER AUTHORIZING) **CASE NO. 2005-00336**
THE ISSUANCE OF UP TO 200,000)
SHARES OF COMMON STOCK)

NOTICE OF FILING STATEMENTS
OF SHARES ISSUED

Delta Natural Gas Company, Inc. (“Delta”) respectfully submits the attached schedules setting forth the number of shares of stock issued through its Dividend Reinvestment Plan (“DRIP”) and the amounts received therefor pursuant to the order of October 14, 2005, in this proceeding. The attached schedules cover the years 2008 through 2011.

Delta acknowledges that the order of October 14, 2005, called for the filing of the information contained in the attached schedules on a semi-annual basis, but states that Delta only recently discovered that it had failed to do so after 2007. The failure to make the semi-annual filings appears to be the result of an oversight that occurred during the transition of duties of Delta’s former Vice President-Finance, Secretary and Treasurer, John F. Hall, following his death in 2007. Delta filed essentially the same data in its annual audited financial statements as of June 30 each year and the Annual Public Service Commission Report at December 31 each year, but those filings were not in the form of the attached schedules and may not have complied with the spirit of the October

14, 2005, order. Delta now has protocols in place to assure the timely filing of the statements required by the October 14, 2005, order.

WHEREFORE, Delta requests that the Commission accept the attached schedules as compliance by Delta with the order of October 14, 2005, in this proceeding.

Date: June 27, 2012

Respectfully submitted,

Robert M. Watt, III
